RMCAO Camp Day Challenge

RMCAO is proud to be a long term sponsor of Camp Oochigeas (Ooch), and this year instead of holding our usual raffle with prizes, RMCAO is looking to take our fundraising further by developing an online program. To get to our industry goal, Ooch staff will set-up company pages for all our members that can be found from the RMCAO main page: www.ooch.org/rmcao.

It takes \$125 to send a kid with cancer to camp for a half-day and THE CHALLENGE is to raise: \$125 per Active Member Company Plant ~ \$125 per Associate Member Company. A [Member Fundraising Toolkit](#) is attached to help plan your company fundraiser. Watch the [Camp Ooch video](#) and experience the magic of camp!
